

A detailed floor plan of a room, labeled S.052 MAL, with a total area of 14 m². The room is rectangular and filled with a light pink color. The walls are outlined in black. On the left wall, there is a large, curved, white area representing a bay or a large window. The top wall features a small, dark blue semi-circular object, possibly a vent or a light fixture. The right wall has a small, dark blue square object, likely a door or a window. The bottom wall is lined with a series of white rectangular blocks, possibly representing a counter or a row of lockers. In the center of the room, there are two large, white rectangular areas, each marked with a black 'X', indicating a specific feature or a placeholder for furniture. The text 'S.052 MAL' and '14 m²' is centered in the upper half of the room.
