

Robots mounted on floor
SCC#368

The diagram shows a rectangular room with a light green floor marked by a grid of dashed lines. A blue cloud-shaped outline is located in the top right corner, enclosing a small dark green rectangular object. A red cloud-shaped outline is on the left side of the room. The text 'Robots mounted on floor SCC#368' is written in red, with a line pointing to the red cloud. The text 'S.066 DISSOLUTION 61 m²' is written in black in the middle right of the room. A light green rectangular object is in the middle right, and a small dark green rectangular object is in the bottom center. The room is surrounded by a white border with various fixtures.
