

1.430
TECH.
89 m²

This is a detailed architectural floor plan of a technical room, labeled '1.430 TECH. 89 m²'. The room is rectangular and features a grid of dashed lines. A prominent blue wavy line runs horizontally across the lower portion of the room, likely representing a partition or a specific equipment layout. Several rectangular blocks of varying sizes are distributed throughout the space, representing equipment or furniture. A thick, hatched horizontal line near the bottom edge indicates a structural boundary or a different floor level. The room is bordered by a thick, hatched wall on the left and right sides. The overall color scheme is light green for the room area, with grey and white for the walls and structural elements.
