

A detailed floor plan of a room labeled 'S.903 TANK ROOM' with an area of 271 m². The room is rectangular and filled with a light green color. It features a dashed grid pattern. Various shapes representing furniture or equipment are scattered throughout: circles, squares, and rectangles of different sizes. Some shapes are solid green, while others are outlined. A large rectangle is positioned in the center-right, and a large circle is in the top-right. Smaller shapes are distributed in the other areas. The room has a thick black border representing the walls. There are some small details like a door or opening at the top-left and bottom-center.
