

This is a technical architectural floor plan of a room. The room's walls are colored pink. A central vertical corridor or area is filled with a fine grid pattern. The plan includes various structural details: door frames, window frames, and wall thicknesses. Three specific levels are indicated with circular markers and text: 'LVL 925' on the left wall, 'LVL 925' on the right wall, and 'LVL 1850' within the central grid area. The entire drawing is framed by a thick, wavy orange line. A white rectangular box is superimposed over the center of the plan, containing the text '30.G'.
