

A detailed floor plan of a room labeled 'S.033 CLEAN UTILITIES' with a total area of 84 m². The room is rectangular and contains several pieces of equipment represented by geometric shapes: two large rectangular units at the top, a large circular tank in the lower center, and various smaller rectangular and circular components along the left and bottom walls. A door is located on the right wall, and a staircase is visible outside the room. The plan includes a grid system and a north arrow at the top center.
