

This architectural floor plan shows a rectangular room labeled 'S.020 BUFFER' with an area of '20 m²'. The room is colored light green. It features a central rectangular area in a darker shade of green and a circular feature on the right side, also in a darker shade of green. The room is bordered by walls, with a cross-hatched pattern on the left wall and diagonal hatching on the top and right walls. A curved line on the left indicates an entrance or a specific wall section. The room is adjacent to other areas, including a light blue area on the right and a purple area at the bottom.
