

LI01  
LIFT

This is a technical architectural floor plan of a lift shaft. The central area is a yellow square labeled 'LI01 LIFT' with an area of '11 m²'. The shaft is enclosed by a grey cross-hatched border representing the shaft walls. On the right side, there is a vertical shaft with a downward-pointing arrow, indicating the lift's travel direction. The plan also shows structural details like door frames and reinforcement lines within the yellow area.
