

A floor plan diagram of a rectangular room, labeled "40.F" in the center. The room is divided into four quadrants by a vertical and a horizontal line. The walls are light orange, and the floor is light gray with a cross-hatch pattern. Various furniture items are represented by brown shapes: a circular table in the top-left, a square table in the top-left, a rectangular table in the top-left, a rectangular table in the top-right, a rectangular table in the bottom-left, a rectangular table in the bottom-right, a rectangular table in the center-left, a rectangular table in the center-right, a rectangular table in the bottom-left, and a rectangular table in the bottom-right. A small circular object is located near the bottom-left corner. A vertical line of small squares is visible on the left side of the room.
