

A diagram of a sprinkling reservoir. It consists of a light pink square background with a thick black border. Centered within the square is a light gray circle with a double black outline. At the top of the circle is a small, light gray circle with a black outline, representing a float valve. The text "Sprinkling Reservoir" is written in black, sans-serif font across the middle of the gray circle. To the right of the square, there is a small black triangle pointing left, and at the bottom left corner, there are some black lines representing a pipe or connection.
