

Architectural floor plan of a staircase area. The plan shows a rectangular room with a light green floor. A staircase is located in the upper left portion of the room, with a landing area. The staircase is represented by a series of vertical lines. A curved line in the bottom left corner indicates a quarter-circle cutout. The room is bordered by a dark grey wall with a cross-hatch pattern. A white grid pattern is visible along the top edge of the plan. The text 'TR82', 'STAIF', and '21 m²' is located in the upper right corner of the room.
