

1.526  
WOC  
182 m<sup>2</sup>

This diagram shows a detailed architectural floor plan of a rectangular room. The room has a total width of 1.526 meters and a total depth of 182 square meters. The plan includes several internal features: a central rectangular area, a small square recessed area in the bottom-left, a curved blue line along the right edge representing a boundary or path, and a series of vertical columns and horizontal beams defining the room's structure. A dashed line at the top indicates an external walkway or balcony.
